

Yearly Review 2017 - Tracker Outcomes

Review of the year ending July 2017:

- We continue to provide **at least 2 hours of high quality PE every week for every child in the school**. This figure has remained consistent for many years and will continue to remain a high priority at Holy Trinity.
- All children in the school continue to experience intra school competition as part of their PE units of work.
- This year we have had a slight dip in after school club participation levels (53%). This is due to a key provider being unavailable for the summer term. Next year we need to expand the number of outside providers to ensure that we are not over reliant on a single source.
- It is clear that efforts still need to be made to extend opportunities in inter-school competition to KS1 and lower KS2 – this continues to form part of the PE plan for future improvement. Availability of staff to take children in KS1 remains an ongoing issue.
- It is important to note that we have provided a diverse range of after school clubs and activities for children throughout the school. However, greater provision and diversification of after school clubs remains a high priority area for improvement next year.
- Leadership initiatives have worked well this year. Leadership has risen to 69%.
- Community club links remains an area for future consideration.

We have now been collecting participation data across the school for a number of years. This allows us to track and make comparisons of progress year on year. See below:

Yearly Review 2017 - Tracker Outcomes

Outcomes for 2017

	Total pupils in OSH	Total pupils participating in at least 2 hrs HQ PE & Sport	Number of students in year	Intra School Competition	Inter school Competition		Total pupils attending Community Clubs with link	Leadership
Year 1	17	30	30	30	0		0	2
