December 2024

What a great start to the new school year. We have had all types of weather and the children have been able to get outside every day. The cosy cabin has been very popular and we have loved to watch the children's creativity outside building tree houses and rope swings. They have also enjoyed exploring our new spiritual area, which gives them a place to sit quietly outdoors and enjoy the sounds of nature. Year R have also loved being able to explore all the grounds and beginning their OPAL journey!

Thank you for all your help and support and we hope you all have a happy and restful Christmas.

Wet Weather Clothing

Even though the sun has been shining, we know that the weather can change very quickly and it has been very cold. Please remember to send your children into school with the appropriate wet weather clothing and accessories to keep them warm and dry.

Can we also ask that children have a spare pair of socks and/or tights in their bags for any wet feet!

OUR BIG ASK

We would desperately love to add a tunnel onto our field. See examples below. Unfortunately, the ones we have seen are very expensive! Does anyone know someone who could find us one?

Thank you!
