DIY Day

What a fantastic day we had! A big thank you to all those that came to help and support. Not only did we have glorious sunshine, we also managed to tick off all the jobs on our long OPAL list.

We now have a new small sandpit alongside our pirate ship, a new stage alongside our old amphitheatre (which will now be a wild flower bed). A large tarpaulin slide, a clearer Forest School which is awaiting a new fire pit and a large wall of tyres ready for our next big sand project.

We have also gained some of our field back after the removal of our cast iron fence, which was a mammoth task in itself! The day was such a roaring success that we hope to plan another one before the end of the school year.

Watch this space!

Cosy Cabin

Please don't forget our sponsored **DANCE-A-THON** on **Monday 20th May**.

We are so excited for this, but please remember to share our video on our school's website with your neighbours, friends and family. The more money we raise, the closer we are to purchasing our cosy cabin!

OUR BIG ASK

With all the lovely sunshine, the children have been putting our cardboard boxes to good use - so much so that our supply has now gone dry!

If you have any **LARGE** cardboard boxes at home, we would be very grateful if you could donate them. These can be left by our donation box in the car park or handed in to the school office.
