ADVOCACY IN ACTION

This morning, our School Council, alongside volunteers from the classes they represent, took part in a powerful road safety demonstration that they had organised and planned.

Our pupils showed incredible passion and commitment as they chanted for safer roads, catching the attention and support of members of the public who waved and beeped their horns in solidarity.

We were delighted to be joined by our Governor Rod Thomas and local councillors Cllr Joanne Bright of Beacon Ward and Cllr Kristian Bright of Viking Ward, to whom we were able to speak directly about our goal of securing a zebra or pelican crossing for our school. Staff also came out to support the demonstration, showing true whole-school commitment to this important cause. We are proud to be supporting our Road Crossing Patrol Mrs Harris in her vital work keeping our children safe.

It was a wonderful example of advocacy in action – our pupils using their voices to make a real difference in our community. A huge thank you to all of the parents, carers and children who supported and encouraged us on their way to school this morning. Your enthusiasm and solidarity made the event even more special. Together, we're making our voices heard and working towards safer streets for everyone.

Thursday 16 Reception to Manor House Forest School

Monday 20 Year 6 Leaver's Service 9am at Holy Trinity

Ramsgate Church

Tuesday 21 End of term 1.30pm

Warmer Weather

With the warmer weather now here (finally), please can children come to school with a sun hat, a full water bottle, and sun cream already applied before they arrive. We would also like to remind parents to send children in with a coat each day, even if rain is not forecast, as the weather can change quickly. In addition, please ensure your child has a spare pair of socks in their bag in case their feet become wet during outdoor play.

Chess Club Success!

We are delighted to share that our new Chess Club has been a hit! The club has proven so popular that we've moved it to the hall to accommodate all our enthusiastic players.

A huge thank you to our parent, Mr Boyce, for volunteering to help run the sessions alongside Mr Bryant and Ms Allam and sharing his passion for the game with our pupils.

Chess is not only great fun, but it's also brilliant for developing critical thinking, problem-solving skills, concentration and strategic planning – all valuable skills that support learning across the curriculum.

OPAL News!

We are delighted to share that our new fire pit was built during the half-term holiday by 'The Crundens'. A huge thank you to them for their time, hard work, and generosity in helping to create this wonderful new outdoor feature for the children to enjoy.

POND UPDATE

We are delighted to inform parents that local landscaper and parent, Mr Wilson, plans to start work on our Pond in the next few weeks - watch this space!!

Summer Uniform

During June and July, ties are optional due to the warmer weather.

A reminder that socks should be plain white or grey.

STEM DAY 2026

Our First RHT Food Fair!

What a fantastic day we had celebrating STEM! Our pupils spent the day immersed in hands-on food technology, exploring the science behind cooking as they measured ingredients, investigated chemical reactions in baking, learned about nutrition and food safety, and developed their practical cooking skills. The day culminated in our very first 'RHT Food Fair' – and what a triumph it was!

It was an absolute delight to see so many parents and carers at the end of the day, sampling the delicious creations. There was no doubt that the children's effort paid off – some of what they produced was gobbled up by the time they reached the gates! It's clear that we have some potential chefs amongst us, and we're so proud of everything they achieved.

A huge thank you to everyone who came along to support and celebrate with us!
