### Farmer Time Brings the Countryside to Class 1&2

Class 1 and 2 have begun an exciting new partnership with Farmer Alison through Farmer Time, discovering what life is really like on a working farm.

Last week, the children were delighted to learn that Farmer Alison works on her family's sheep farm in Ceredigion, Wales. The children enjoyed introducing themselves and asked lots of enthusiastic questions about farm life. They were particularly fascinated to discover that Farmer Alison speaks Welsh!

We're looking forward to continuing our virtual visits to the farm throughout the term and learning more about where our food comes from and the important work farmers do.

### A New Face at RHT

Mr Munday is our new Sports Coach from TSC, and already feels like part of the family.

Welcome, Mr Munday!

### School Council Champions Road Safety Campaign

Our School Council has been busy consulting with their classmates and have identified a clear priority for the spring term: improving road safety around our school.

After gathering views from across the school, the councillors are now taking action on two fronts. They are preparing a special assembly to raise awareness of road safety issues with all pupils, and have launched an ambitious campaign calling on the local council to install a zebra crossing on Dumpton Park Drive to help keep our school community safe.

We are incredibly proud of our young representatives for taking such initiative and showing real leadership on an issue that matters to our whole community. Watch this space for updates on their campaign!

### Important Dates

#### January

**Tues 27<sup>th</sup> Jan** 9am YR SEND Parent Coffee Morning

**Fri 30<sup>th</sup> Jan** Y3 visit to Broadstairs Library

#### February

**Mon 9<sup>th</sup> Feb** Sharp Non-Uniform Day (owed)

**Tues 10<sup>th</sup> Feb** Wrightson Non-Uniform Day

**Thurs 12<sup>th</sup> Feb** 3.15pm-5.30pm School Disco

**Fri 13<sup>th</sup> Feb** End of Term 3

**Mon 23<sup>rd</sup> Feb** Term 4 begins

**Tues 24<sup>th</sup> Feb** Year 1 swimming (lesson 1 of 5)

**Thurs 26<sup>th</sup> Mar** Y5 visit to Ramsgate Tunnels

#### April

**Thurs 2<sup>nd</sup> Apr** End of Term, 1.30pm and Easter Trail

### Year 5 & 6 Football Team Triumph at Margate FC

We are incredibly proud of our Year 5 & 6 football team, who demonstrated outstanding skill and determination at Margate Football Club on Thursday 14th Jan.

Despite the freezing cold and torrential rain, the team played with pride and strength in their semi-final match against Upton, a team known for their exceptional ability and track record of success. Our team rose to the challenge magnificently, securing an impressive 3-0 victory (with one goal unfortunately disallowed). The entire team showed great sportsmanship and resilience throughout the match, and they are a true credit to our school. We are delighted that many of our players represent some of the best teams in the area, including the district team.

We now look forward to cheering them on in the final against St George's Primary School. Well done to all the players – you've made us all very proud!

## OPERATION POND!

### Before.....

### Operation Pond is Underway!

Last Friday marked an exciting milestone as small but enthusiastic group of children, teachers, parents, governors and grandparents came together to tackle the first stage of this ambitious project and begin transforming our beautiful but underused pond area.

Our vision is to create a spiritual haven and outdoor learning zone that will benefit the whole school community whilst supporting the environment. The potential for impact across curriculum areas and pupil wellbeing is truly endless.

Stage 1 focused on de-weeding and tidying the area so we could assess what we're working with. As you can see from the before and after pictures, the transformation achieved in just one hour was remarkable!

The next stage is harder – and more expensive. We are hoping to raise £5,000 to create a space that is safe, sustainable and accessible for all children. This will enable us to install proper pathways, seating areas, and educational features that will make the pond a valuable resource for outdoor learning across all year groups.

If you think you may have any skills or expertise that we could use for this project, please let us know!

### After....what a difference!

Keep a look out for more DIY days and fundraising events.....whether it is time, skills or money you are able to contribute, it all counts and is all important.
