COOKERY CLUB ENTERS COUNTY COMPETITION

Our after-school cookery club has entered the Young Cooks Competition 2026! Our pupils created a delicious cassoulet for their entry into this fantastic countywide initiative, organised by **Social Enterprise Kent**, which invites young people aged up to 16 to design and cook a delicious main course meal.

Our budding chefs will have the chance to compete at a live cook-off event at East Kent College, Broadstairs, with winners sharing a prize pot of £500.

Our cookery club runs every Monday with Ms Marshall and is open to Year 6 pupils, where they develop their culinary skills in a fun and supportive environment. If your Year 6 child hasn't yet had the opportunity to join and would like to discover their inner chef next term, please look out for sign-up details coming soon. Good luck to all our young cooks taking part!

Tuesday, 3rd March 2026

SAVE THE DATES

Monday 30th March 2026

We still need your help to clear more of the pond area after school (3:15-4:15pm) and we'd love as many parents as possible to join us. As a thank you, all children will be able to attend Extended Day for FREE while the work is happening.

Saturday 16th May 2026

As the warmer weather approaches, we're delighted to invite you to our first DIY Day of 2026. We have plenty of exciting and worthwhile jobs planned, and the school will be open from 9:00am to 4:00pm. We will share more detailed plans about what needs to be done closer to the time, but if you could keep the date free, it would be appreciated.

DISCO

A huge thank you to all the children who joined us at our school disco last term. It was a fantastic success and the children's smiles made it a night to remember!

We also want to extend our heartfelt thanks to the PTFA parents who gave their time and support to help the event run smoothly. Together, we raised a grand total of **£1102**, which will go towards renovating our pond area.

WE NEED YOUR HELP

We are looking for a landscaper to help us design our new outdoor pond area. The children have been working hard, sharing their ideas, and now we need your expertise to bring it all together!

If you know anyone who could help, please forward their details to the school office, thank you!

OPAL PLAY

The children have absolutely loved playing outside in all weathers this term, exploring, learning, and having fun no matter the conditions! We hope you enjoy seeing their adventures in the photographs. It's been wonderful to watch their enthusiasm and creativity in action.
