

PE Action Plan 2017/18

In 2017/18 the PE Tracker and the Whole School Assessment Tool will allow us to accurately measure progress in the following target areas:

- Increased participation in extracurricular/ inter school competitive sport - kick-starting healthy lifestyles.
- Increased intra school competition.
- All PE lessons are fully resourced in order to achieve the highest attainment levels for all children.
- Increased leadership opportunities for pupils throughout the school.
- Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
- Increased access for all children to active play equipment and the development of more structured play at break times.
- Improved community club links with a network of in school pupil representatives.
- Increased diversity of after school clubs in order to raise school participation levels to at least 80%.
- To provide a broader experience in a range of sports and activities to all pupils.
- Develop sustainable high quality PE lessons throughout the school.
- Improved awareness of personal health and wellbeing within our school and community.

Action plan for achieving these aims:
