

Home Learning Task Year 4

15 th June	Maths	English	Topic	Enjoy your reading book. 20+ minutes daily Please keep a reading record.
Monday	1) Use Times Tables Rock Stars or the times table pair game to practice your tables. 2) Complete the times table grid again and check if you were faster than last week. 3) Complete the maths worksheet on ordering and rounding decimals . Check your answers, which are below the questions.	Spelling Learn the 15 spellings, which each contain the ei letter string. Put each word in a sentence to show its meaning. Remember to use this as an opportunity to do some handwriting practice, so you need to use neat, <u>joined</u> writing.	Topic America is divided into 50 areas called states (which is why there are 50 stars on the American flag). Use the map of America to arrange the states in alphabetical order. Check your work with the answer sheet below the map.	Weekly Spellings Words containing the ei letter string. 1. weigh 2. weight 3. height 4. eight 5. reindeer 6. sleigh 7. vein (blood vessel in the body) 8. neighbour 9. abseil 10. leisure 11. weird 12. beige (light brown colour) 13. ceiling 14. receipt 15. receive
Tuesday	1) Look at the Twinkl PowerPoint to remind you how to read co-ordinates . 2) Complete one of the differentiated question sheets on co-ordinates (as usual * is easier than ***)	Grammar 1. Watch the Twinkl Powerpoint presentation on determiners . 2. Complete one of the worksheets on determiners (* to ***). You will find the answers below the questions.		
Wednesday	Complete the questions on co-ordinates . You should be able to complete all 3 sets of questions quite quickly, starting with the * level of difficulty and finishing with ***	Comprehension Complete the Twinkl factual comprehension about rivers . As usual, select your level of difficulty from * to ***	During the rest of the week, choose a total of 3 activities: 1 from P.E., R.E, Music or Art. Select these from the choice on the school's Home Learning website.	
Thursday	1) Complete the maths question sheet on co-ordinates. 2) a) Make your own 10 x 10 grid. b) Draw an island on your map. c) Add various drawings on your map e.g. a cave, waterfall, palm tree, treasure, water hole, shelter. d) Re-draw these items below your grid and put the nearest co-ordinate next to it. Remember co-ordinates are always inside brackets with a comma between the x co-ordinate and y co-ordinate.	Writing Task Have a go at writing a poem about a river's journey towards the sea. You could include: <ul style="list-style-type: none">• a description of the scenes it passes• information about the life within it• the sounds it makes• its anger at pieces of pollution• its happiness at reaching the sea• details of how it grows in size and power I would love to see some of these please via Showbie photographs		

<p>Friday</p>	<p>Last week's Friday Fun Challenge answer was 11. Have a go at this week's Friday Fun Challenge. (Answers will be given next week.)</p>	<p>Next week we will be focussing on the use of Persuasive language</p> <p>Use your imagination to invent a new gadget for school pupils. Draw and label it, ready to use in next week's English writing.</p> <p>I would be really interested to see what you invent. Please send in photographs of your invention via Showbie.</p>
