<b>Monday</b>	Times Tables Practice <a href="http://www.timestables.me.uk/primary-table-pdf-quiz-generator.htm">http://www.timestables.me.uk/primary-table-pdf-quiz-generator.htm</a> number bonds practice <a href="http://www.mental-arithmetic.co.uk/number-bonds-pdf-quiz-generator.htm">http://www.mental-arithmetic.co.uk/number-bonds-pdf-quiz-generator.htm</a> Activity: Calculation	Activity: Short Reading Task	From now on, you will have a bit more choice. Each week you will pick one activity from RE, PE and Music; and I will set you one more task. That makes it four topic tasks for the week altogether.  <b>RE</b> Pick <b>one</b> of the sheets about the World Faiths (Islam, Hinduism or Judaism). Choose the faith you (and if you have brothers or sisters at RHT) are most interested in learning about. This week, do one of the activities from that sheet.  <b>Music</b> Listen to the piece of music and think about the questions. This is the 'introduce it' task. Now look at the other tasks and choose one to complete.  <b>PE</b> Choose one of Mr Tift's task sheets or do an online PE course.  <b>Topic</b> Use the Thinker's Key for this topic. Select one of the activities and let me know what you get up to! <b>Showbie</b>
