

Newsletter

Dear Parents/Carers,

We hope you have all had a restful half term holiday. As it is the beginning of a new term, we thought it would be nice to share our first OPAL newsletter with you all. Over the past term the children have thoroughly enjoyed exploring our outdoor areas, and here are just a few of their happy faces!

Wet Weather Clothing

As of **Monday 26th February**, the whole school will be expected to be outside in all weathers (except during thunderstorms and high winds). Therefore, every child will need wet weather gear in school. This includes, wellington boots and waterproofs. We do have sheltered areas outside every classroom, as well as a number of huts, so children who would rather be undercover when it rains are at liberty to choose to be there.

We are finding that some children are still getting wet feet. Could we please ask that you place a spare pair of socks or tights into your child's school bag? Thank you!

DIY Day

Please don't forget that the school will be open this Saturday, 24th February from 9.30pm-12.30pm. Any help would be greatly appreciated. Please click on the link below to register your support.

Thank you again for all your continued support. We raised an impressive **£898.43** from the school disco and we plan to hold another one in Term 5. A big thank to Stewart Brown's Mobile Disco and to all those that helped from the PTFA. Your support was much appreciated.

THANK YOU
