#### <u>Home Learning – Topic</u>

Look at the Thinker's Key below. Throughout the week, try to complete one activity on each day. You may choose which activities you like and can record them in any way. This could be writing in your exercise books, typing up on the computer or taking photographs.

Try to include a variety of different tasks and play to the strengths of your children to keep them engaged. Some of the tasks lend themselves to writing, some are more creative and some just require a lot of imagination!

#### **Easter**

Ten things you cannot do at the time of Easter.

Discuss: What if Pontius
Pilate had pardoned Jesus
and not the robber
Barabbas?

List the disadvantages of days getting longer in spring.

Combine a chocolate Easter egg with an armchair.

je

Compile a list of words from A - Z that are related to Easter.

Use BAR to improve the design of an Easter egg.

#### **Variatio**

Find different ways how Christians around the world celebrate Easter.

Look at the picture below. How is it linked to Easter?

What would happen if we had no chocolate eggs at Easter?

What else could you use an Easter bonnet for?

#### The Ridiculous

Explain why Easter cards are an essential part of Easter.

## Common ality

What is the same at Easter and Christmas?

The Answer is:

Golgotha.

List 5 questions that could have that answer only.

What would you have done in Jerusalem if you were Peter?

Invent/Design an Easter egg hunt for the whole family.

Easter, our love for each other and how to help each other in 2020.

## Brick

Wall

Easter is not as important as Christmas.
Find facts that contradict this statement.

### Constructi On

Make a model of an Easter garden.
You can also make a real (small) one and plant something.

# The Forced Relation

Solve the problem of Peter's denial and Thomas' doubting.

Work out three ways to celebrate Easter without chocolate.
