

## Making a Woodland Crown

### You will need:

- leaf cut outs
- card
- colouring pencils or pens
- glue
- scissors
- natural objects
- Wide cardboard strip

### What to do:

1. Go on a woodland hunt.\*
2. Collect some natural objects – leaves, sticks, pine cones etc.
3. Take them back home.
4. Colour in your leaf shapes.
5. Stick your leaves and natural objects on the wide strip.
6. Put the finished crown on your head and stick the ends together.

\* You can hunt in your garden or in the park.
