Consent Form for taking and using photographs of children 2019/20

Our school likes to celebrate school life and the achievements of our children. As part of this, we will often take photographs and use them in a variety of ways, including in our newsletter, on our website, on displays around the school building and occasionally in the local press.

A change in data protection laws which came into effect on 25th May 2018 means that we are now required to gain consent from you to continue to photograph your child and to use those images. If you are happy for your child to be photographed and for their images to be used in these ways, please complete this form, ticking the relevant boxes, sign and date it and return it to the School Office.
