

## Monday

### Activity: Writing descriptive sentences

Watch the video 'Arctic Circle'. You will find it at:

You are now going to use your imagination to write sentences, using descriptive language, an **expanded noun phrase** and **alliteration**. The first one has been done for you.

- 1) Write a sentence describing how the fruit tastes, when the man bites into it.

The bearded man crunched into the **delicious, dainty dragon fruit**.

- 2) Write a sentence describing the man feeling cold, without using the word 'cold'.
- 3) Write a sentence describing how the man is feeling emotionally and why.
- 4) Write a descriptive sentence about something specific that he can see.
- 5) Write a sentence describing what he thinks when he first discovers the box.
- 6) Write a sentence describing how the man feels when he touches the tree and suddenly lots of fruit appear.
- 7) Write a sentence describing how the man feels when his body is changing into the box.
