

# Making Shoes Action Song

(Sing to the tune of 'Row, Row, Row the Boat'.)

*(Do a hammering action.)*

Tap, tap, tap the tack,

Gently in the sole.

Hammer it, hammer it, hammer it, hammer it,

New shoes are our goal.

*(Do a sewing action.)*

Sew, sew, sew the thread,

Into the leather.

Sewing it, sewing it, sewing it, sewing it,

Making them better.

*(Do a threading action.)*

Thread, thread, thread the lace,  
Into all the holes.

Threading it, threading it, threading it, threading it,  
We're reaching our goal.

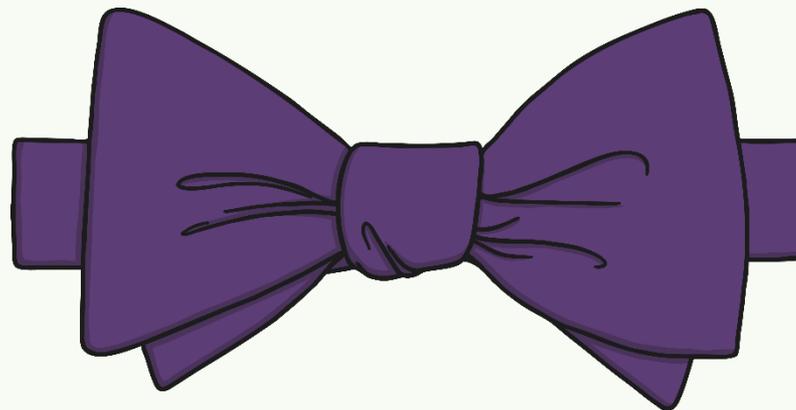

*(Do a bow-tying action.)*

Tie, tie, tie the bow,

Tying bows is fun!

Tying it, tying it, tying it, tying it,

Now the shoes are done.
