

18.5.20

Home Learning Task Year 1

w/b 18.5.20	Maths	English	Topic	Enjoy your reading book. 10+ minutes daily <b>Please keep a reading record.</b>
<b>Monday</b>	<p>This week we are going to think height and length!</p> <p>Look at the lessons from the Oak National Academy.</p> <p>Watch Lesson 1.</p> <p><a href="https://www.thenational.academy/year-1/maths/to-compare-lengths-and-heights-of-objects-year-1-wk1-1">https://www.thenational.academy/year-1/maths/to-compare-lengths-and-heights-of-objects-year-1-wk1-1</a></p> <p>Did you find objects smaller than you? Did you find objects taller than you?</p>	<p>News writing – write your weekend news.</p> <p>Remember full stops and capital letters.</p> <p>* Challenge – try to use your cursive handwriting.</p> <p>Our story this week is The Enormous Turnip. You can have a go at reading the story and answering some questions about it.</p>	<p>Lots of you enjoyed looking for mini-beasts last week so we are going to learn a little bit more!</p> <p>Look at the presentation all about minibeasts!</p> <p>Use the minibeast recording sheet or your own spotter to see if you can become minibeast seekers!</p> <p>What minibeasts can you find in your garden or the park?</p>	
<b>Tuesday</b>	<p>Look at Lesson 2 – Measuring length using non-standard units.</p> <p><a href="https://www.thenational.academy/year-1/maths/to-measure-lengths-using-non-standard-units-year-1-wk1-2">https://www.thenational.academy/year-1/maths/to-measure-lengths-using-non-standard-units-year-1-wk1-2</a></p> <p>How many hands tall was your fridge?</p>	<p>Read The Enormous Turnip. If you have your own copy then please read that.</p> <p>I have attached two copies this week as well.</p> <p><a href="https://www.youtube.com/watch?v=mGw5yTOPTSQ">https://www.youtube.com/watch?v=mGw5yTOPTSQ</a></p> <p>Write about what you liked about this story. What surprised you?</p>	<p>RE activities</p>	<p><b>Weekly Spellings</b> <a href="https://www.phonicsplay.co.uk">https://www.phonicsplay.co.uk</a> is an excellent place for children to play phonic games. It is free for everyone at the moment. Phase 3, 4 and 5.</p> <p>Look at the Yr 1 Common Exception Words and High Frequency word lists. Work through the words – choose 5 – 10 at a time.</p>
<b>Wednesday</b>	<p>Lesson 3 - Measuring length using non-standard units</p> <p>Watch lesson 3 –</p>	<p>Think about the story of The Enormous Turnip. Read or watch it again.</p> <p>Can you retell the story? Re-write the story. You can use the frame provided or write and draw it on your own.</p>	<p>PE activities</p>	<p>Display tricky words around or target those words in your writing.</p>

	<p><a href="https://www.thenational.academy/year-1/maths/to-measure-lengths-using-non-standard-units-year-1-wk1-3">https://www.thenational.academy/year-1/maths/to-measure-lengths-using-non-standard-units-year-1-wk1-3</a></p> <p>What did you measure? What units did you use? Remember you can use lego, crayons, pencils – anything as long as they are all the same.</p>			
<b>Thursday</b>	<p>Lesson 4 – Begin to understand standard units of measure.</p> <p>Watch lesson 4 - <a href="https://www.thenational.academy/year-1/maths/to-begin-to-understand-standard-units-of-measure-year-1-wk1-4">https://www.thenational.academy/year-1/maths/to-begin-to-understand-standard-units-of-measure-year-1-wk1-4</a></p> <p>* If you're unsure how high a metre is – kitchen worktops are usually around 90cm high (from the floor to the worktop).</p> <p>What did you find that was taller than 1m? What was smaller than 1m?</p>	<p>Today you are going to think about your own story. Think about The Enormous Turnip – your story is going to be similar.</p> <p>It could be The Enormous Tomato or The Tiny Pumpkin or The Orange Broccoli.</p> <p>What could you change? Who are your characters? What are they growing? What is the problem? Is it too big or too small? What happens in the end?</p> <p>You can use the story plan provided or make one of your own.</p>	Music activities	
<b>Friday</b>	<p>Lesson 5 – Problem solving using doubling and halving.</p> <p>Watch lesson 5</p> <p><a href="https://www.thenational.academy/year-1/maths/to-problem-solve-using-doubling-and-halving-year-1-wk1-5">https://www.thenational.academy/year-1/maths/to-problem-solve-using-doubling-and-halving-year-1-wk1-5</a></p> <p>Remember you can use manipulatives to help you. This can be cubes, Lego</p>	<p>Today you are going to write your own story. Use your story plan to help tell your story.</p> <p>Can you try and use some exciting adjectives?</p> <p>Don't forget to say your sentence out loud before writing. Check that it makes sense.</p>	<p>Can you draw, paint, model or become one of the minibeasts that you may have spotted this week?</p> <p>Perhaps you can dress and move like a butterfly? Or make a plasticine model of a ladybird? Or draw a hairy spider!</p>	

18.5.20

	pieces, counters, pieces of pasta – anything that can help you count.	Don't forget full stops at the end of a sentence. Don't forget capital letters at the beginning of a sentence and for names of characters.
