

LO: I can explain how animals have adapted to life in different environments

The environment of Antarctica:

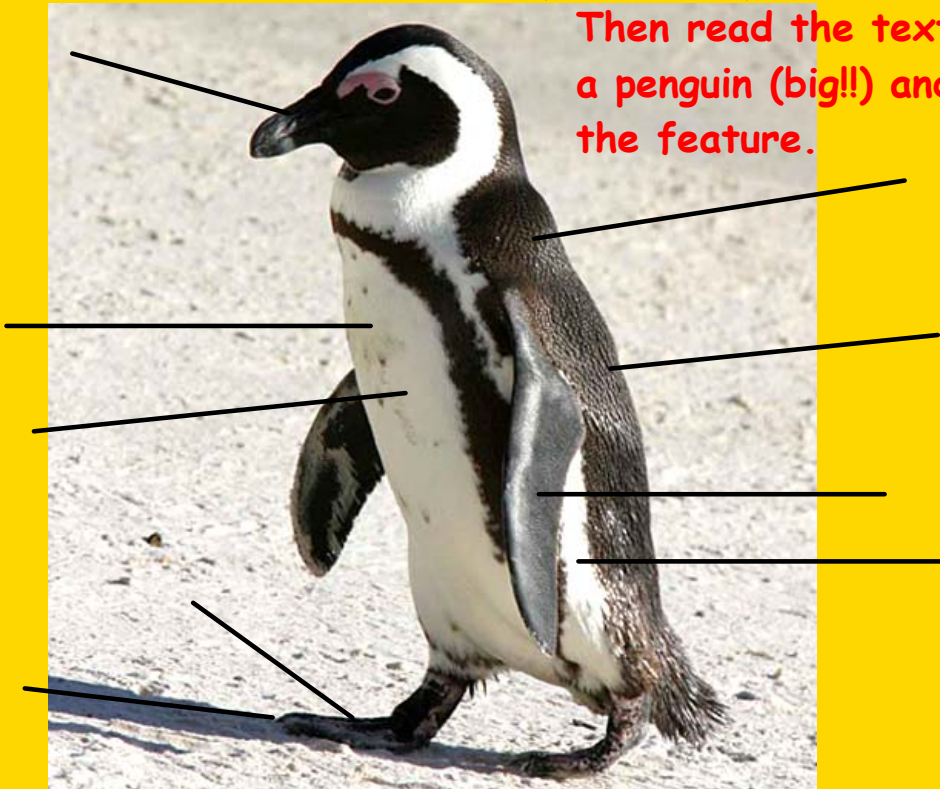

-
-
-
-

What is the weather like? Temperature? Plant growth? Conditions of sunlight?

Jun 14-18:37

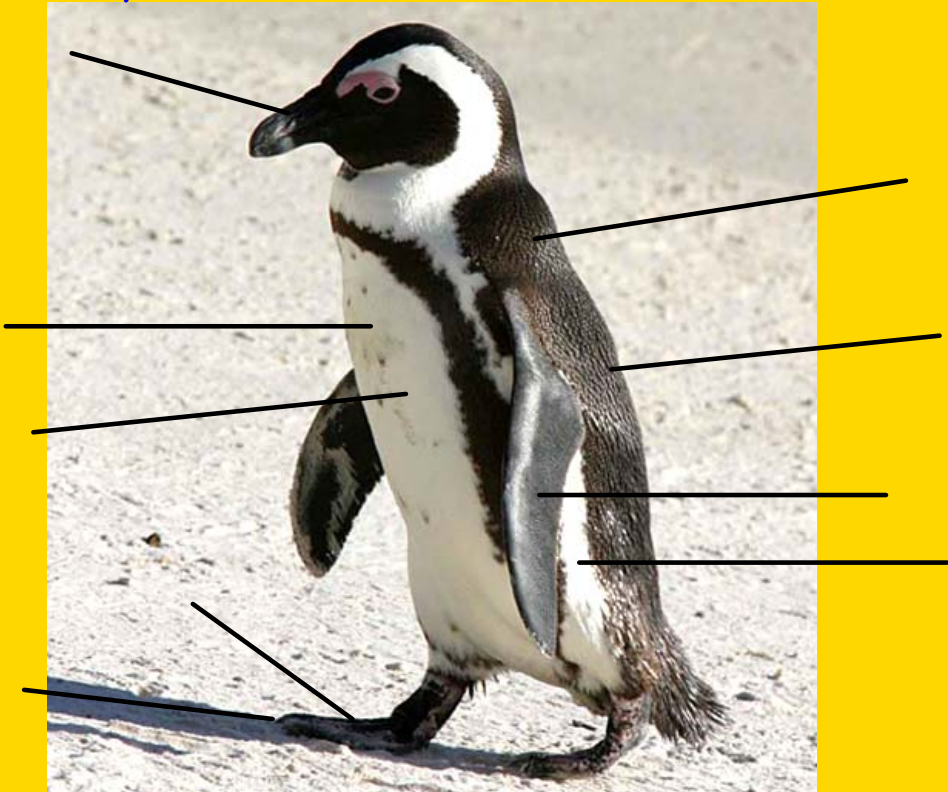

Penguin and how it has adapted to life in Antarctica
Which of these features do you already know?

Then read the text, draw a penguin (big!!) and label the feature.

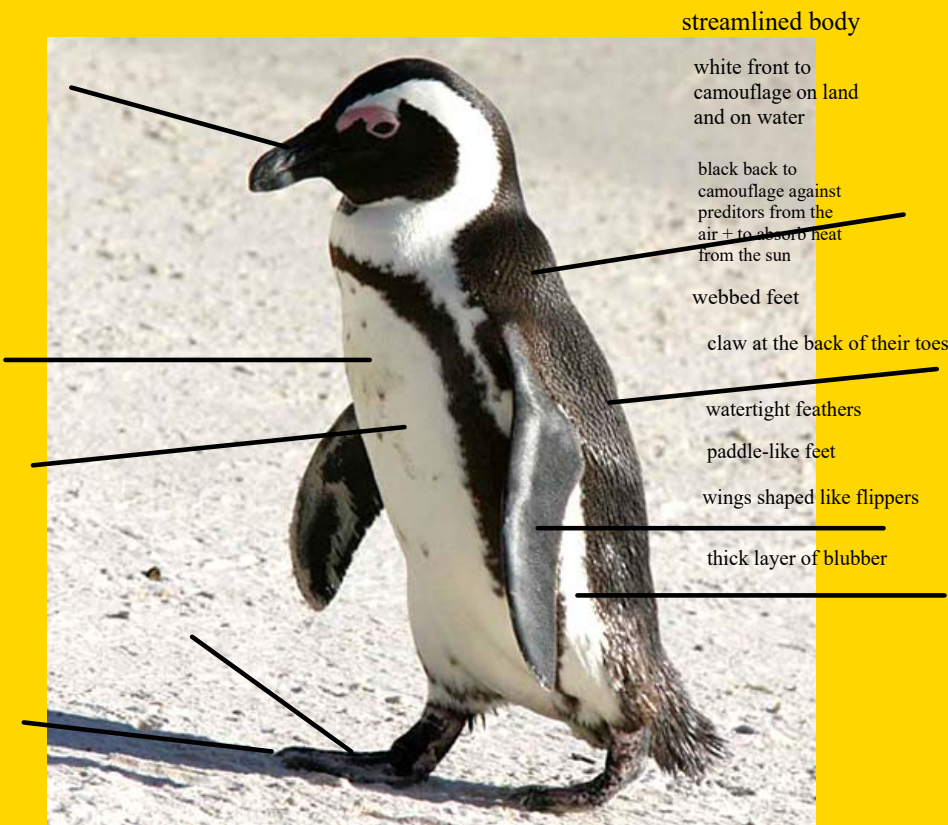

Jun 14-18:37

Now add: for swimming, for keeping warm, for living on ice ...
Explain why each feature is there.

Jun 14-18:37

Which features have you found in the text?

Jun 14-18:37
