

## Wednesday

### Activity: Note-taking

Tomorrow you are going to write your own non chronological report about the problem with plastic pollution.

A **non-chronological report** is a text which isn't written in time order. They are normally **non-fiction** texts which give information on a particular subject or event, without referring to the order in which things happen.

In preparation for your writing, today you are to take notes, about interesting facts, from the following non-chronological reports:

- 1) Your comprehension text from yesterday (Tuesday English).
- 2) 'The Problem with Plastic Pollution' found at:  
<https://www.natgeokids.com/uk/kids-club/cool-kids/general-kids-club/plastic-pollution/>
- 3) Watch a video, by visiting: <https://youtu.be/iAdmiSAPdfk>
- 4) There are other programmes (e.g. Blue Planet from the BBC) available – but ask your parents first to help you to find suitable programmes.

### Extension:

Present interesting facts as a sketch or diagram.
